Board & Committee Agenda Item

Agenda Item: **Gandy Connector**

Presenter: Wally Blain, MPO Staff
Bob Frey, Tampa Hillsborough Expressway Authority

Summary: The regional connection between the southern end of the Selmon Expressway and the Gandy Bridge has been evaluated and studied for several decades. Most recently this connection has been studied by the Tampa-Hillsborough Expressway Authority.

In 2011 during the adoption of the TIP Priorities, the MPO had discussion regarding the Gandy Connector project and voted to remove it from the priority list.

At their March 26th meeting, the Policy Committee referred the recommendation to remove this project from the Long Range Transportation to the MPO Board.

Recommended Action: Consider Policy Committee's recommendation to remove the Gandy Connector from the LRTP either by amendment or through upcoming LRTP adoption in December 2014

Prepared By: Wally Blain
