

Fletcher Avenue

Armenia Avenue to Nebraska Avenue

The 2017 Vision Zero Action Plan identified Fletcher Avenue as one of the top 20 most dangerous roadways in Hillsborough County. This designation means that people driving, walking, riding a bike, and getting on a bus are more likely to be seriously injured or killed along Fletcher Avenue than on other roads in the County. To combat the needless death and injury on roads like Fletcher Avenue,

Hillsborough County and the Hillsborough MPO are working together to identify countermeasures along Fletcher Avenue. Please take a few minutes to fill out a quick survey at planhillsborough.org/vzcorridors to tell us the issues that are important to you.
