

Gibsonton Community Plan Area Upcoming Transportation Projects

Information prepared by Wade Reynolds as of August 5, 2020

The following are transportation projects funded in Hillsborough County's current Capital improvement program. This program is updated annually and consists of the five-year work plan for the County. Projects on State Roads are also included. For more information on these projects the following resources are available:

Additionally, Hillsborough County has developed a spending plan for proceeds from the first year revenues from the All for Transportation Sales Surtax. The use of these funds is pending the decision of the Florida Supreme Court on the legality of the tax. To see the projects included in the spending plan, a map of projects is available at the following link:
