			Project Prioritization Criteria																	
Project Information Project/Services/Activities Project Location		Alignment with 2045 LRTP Goals and Objectives (strategi							itegic)											
		Good Repair and resilience Preserve Infrastructure/ Sustainability Yes = 1 Point No = 0 points		Vision Zero Safety Yes = 1 Point No = 0 Points		Innovation and Emerging Technology Yes = 1 Point No = 0 Points		Real choices when not driving Mobility and Mode Choice Yes = 1 Point No = 0 Points		Major investments for economic growth		Short term (0-5 yrs.) = 3 Points Mid term (5-10 yrs.) = 2 Points Long term (10+ yrs.) = 1 Point	Medium = 2 Points	What is the level of risks and degree of impact? Examples: legal compliance, operational, stakeholders/public involvement, timing, data sources, technology, etc.	Risk Severity High = -2 Point Moderate = -1 Points Low = 0 Points Based on Dependencies, Business Risk, and Limitations	Low (0-4)= 0 Points Mid (5-8)= 1 Point	Is there a high demand or need for the implementation of this project or will this project improve upon an existing	(DO NOT FILL IN) The higher the score, the higher return on investment. (Max X)	Comments	
										Economic Growth Yes = 1 Point No = 0 Points	\$0 - \$499,999= 4 Points \$500,000 -\$999,999 = 3 Point \$1 M - \$2.99 M = 2 Points \$3 M - \$5 M = 1 Point > \$5 M = 0 Points								Are there other factor that should be taken into consideration?	Communication and Infrastructure Needs
Smart Waste Management	East Forest Avenue	0	0	0	1	1	1	1	0	0 :	L 4	3	1		0	2	1	16
