Pilot Site Suggestions:

1. South Nebraska

The screenshot shows a digital map interface with a toolbar at the top containing icons for zooming, panning, and other map functions. The title 'Encore/South Nebraska' is displayed in the top left. The map shows a street grid with several locations marked with dots and lines. A yellow sticky note is placed over a location, containing the text: 'Michelle - great exposure and potential for engagement, close to 275 and 1-4'. Another yellow sticky note is placed over another location, containing the text: 'Eric - Perry Harvey Park should meet proximity and logistical needs (not sure about internet)'. A pink sticky note is located in the bottom left corner, containing the text: 'Pilot Site Selection Review the community maps and identify potential monitoring sites. Use the site selection criteria as a reference. 1. Draw a dot at the location (using the pencil & line width: thick). 2. Add a sticky note with your name at the top. 3. Explain why you selected locations on your sticky note & save.' A light blue sticky note is located on the right side of the map, containing the text: '[Rich C] - 1 note per person Comments:'. The map also shows various landmarks such as 'Hispanic Chamber of Commerce of Tampa Bay', 'The Blue Note Bar', 'Tampa Park Playground', 'St Peter Claver's School', 'B-Shipped BarberShop Downtown', 'Ray Chelipa Blvd', 'Legacy Encore', 'The Trio At ENCORE!', 'Perry Harvey Sr. Park', 'Skateboard Bowl at Perry Harvey Sr. Park', 'Bumper King', 'Mt Moriah PB Church', 'St Peter Claver Catholic Church', and 'Africa Extravaganza Dance store'. A measurement tool at the bottom right shows 'Total area: 4152.062 29 ft (385.739.21 m²)' and 'Total distance: 1.55 mi (2.50 km)'.

2. Sulphur Springs

The screenshot shows a digital map interface with a toolbar at the top containing icons for zooming, panning, and other map functions. The title 'Sulphur Springs' is displayed in the top left. The map shows a street grid with several locations marked with dots and lines. A yellow sticky note is placed over a location, containing the text: 'Eric - Water Tower park is potentially light on logistical needs. Sulphur Springs pool might be a better option.' A pink sticky note is located in the bottom left corner, containing the text: 'Pilot Site Selection Review the community maps and identify potential monitoring sites. Use the site selection criteria as a reference. Directions: 1. Draw a dot at the location (using the pencil & line width: thick). 2. Add a sticky note with your name at the top. 3. Explain why you selected locations on your sticky note & save.' A light blue sticky note is located on the right side of the map, containing the text: '[Rich C] - 1 note per person Comments:'. The map also shows various landmarks such as 'Laundromat of Tampa', 'Riverside Marine Boat Sales', 'Sulphur Springs Water Tower', '912 E Silia St Parking', 'Sulphur Springs Pool', 'Hillsborough River', 'W Banker St', 'Elizabeth 9th Grade Elementary School', 'Bond Auto Sales Used Car Dealer', 'Tampa Succulents & Tampa Cactus', and 'Summer Springs Park'. A measurement tool at the bottom right shows 'Measure distance'.

3. V.M. Ybor & Tampa Heights

Integrated text
Sticky notes

V.M. Ybor & Tampa Heights

Tampa Heights Community Garden
 Address: 605 E Frances Ave, Tampa, FL 33602

Tampa Heights Junior Civic Association Youth Center
 Address: 2005 N Lamar Avenue, Tampa, FL 33602

Pilot Site Selection
 Review the community maps and identify potential monitoring sites. Use the site selection criteria as a reference.

Directions:
 1. Draw a dot at the location (using the pencil & line width: thick).
 2. Add a sticky note with your name at the top.
 3. Explain why you selected locations on your sticky note & save.

Rich C

Michelle - Great location and opportunity for community partnership and engagement.

Lena
 New community center at 3717 N. Central Avenue slightly outside of the boundaries but the center is available. There will be children at this center who could learn more about monitoring and their community.

Afredia NMZ Tampa

Future Communities to Monitor:

Integrated text
Sticky notes

Eric - 275 and Dale Mabry, Gandy and the Seimon extension (double decker traffic)

Future Communities to Monitor
 Identify areas in Hillsborough County where you want to learn about air quality near major roadways in the future.

Directions:
 1. Draw a dot at the location (using the pencil & line width: thick).
 2. Add a sticky note with your name at the top.
 3. Explain why you selected locations on your sticky note & save.

Jim Shirk
